

You refuse to compromise.
We couldn't agree more.

With so much at stake, there is no room for compromise.
Edwards SAPIEN 3 TAVI helps you:

Deliver the outcomes you demand

1% death or disabling
stroke at 1 year¹

Perfect the pathway with low procedural complications

96% of patients discharged to
the comfort of their home¹

Control for the future of patients with longer life expectancies

100% successful post-TAVI
coronary access²

The valve designed to meet your Higher Standard.

* On the primary endpoint of death, stroke, and rehospitalization at 1 year

+ These devices are not available for commercial supply in Australia and are shown for illustration purposes only
